It is the goal of Spring Valley Academy to operate the total education program as efficiently and economically as possible so that students may receive a quality Christian education at the lowest possible cost. The annual tuition and fees are established by the Spring Valley Academy Board of Trustees. Because of the uncertainties of business and monetary values, the Board of Trustees reserves the right to revise any published tuition or fee rates without notice. The current year’s tuition rates and fees are outlined in the tuition and fees schedule, available in the school office.

**Application and Registration Fee**

**Current Students:** Re-registration applications are to be submitted with the applicable re-registration fee. See ‘Other Fees Schedule’ for the new school year. Students currently enrolled who do not re-register by the deadline will be assessed a $100 late registration fee. To enroll for the next school year all accounts must be paid in full. This is in accordance with the Spring Valley Academy Board of Trustees policy that states ‘each student must begin the new school year with a zero balance’.

**New Students:** Applications for K-12 new students are to be submitted with the applicable registration fee and tuition deposit. See ‘Other Fees Schedule’ for new school year.

**International students:** Applications for new students are to be submitted with the applicable registration fee that is published annually on the ‘Other Fees Schedule’. The registration fee includes the cost of processing an I-20 visa.

Application fees are non-refundable. Tuition deposits are non-refundable, unless the student moves more than 30 miles from the school or is asked to attend elsewhere. Tuition deposit is applied towards the first month’s tuition.

**Tuition**

The yearly tuition is divided into 10 equal installments, August through May. Monthly statements will be emailed on the first business day of each month. Tuition is due on the tenth (10th) day of the month. The first month’s tuition is due on August 10. Tuition is considered late if payment is not received by the fifteenth (15th) day of the month for which it is billed.

Students whose families are members of one of the four constituent Seventh-day Adventist churches - (Beavercreek, Centerville, Kettering, and Miamisburg or are employees of the constituent Organization Kettering Health Network) - that pay a monthly subsidy to SVA for operation, will be billed at the Constituent rate which is the lowest tuition rate. Additionally, students who are members of a Seventh-day Adventist church within the Ohio Conference, will be billed at the Non –Constituent since the Ohio Conference provides a monthly subsidy for operations.

**Refunds**

The school reserves the right to withhold refund payment of any student’s account with a credit balance for a period of one month after he/she leaves school. This ensures that all charges have been recorded on the account. Any credit balance that the school is unable to refund due to the lack of an accurate address will be considered a donation to the Worthy Student Fund.

**Financial Clearance**

Each student must be financially cleared in order to be registered as enrolled on the first day of school. A student who is not officially enrolled will not be permitted to attend classes. An enrolled status is approved by the Registrar.

The application process is the same for all funds. Families requesting financial assistance are required to complete an on-line FACTS Grant & Aid application. You are encouraged to complete the FACTS application as soon as you have completed your previous year’s income tax return or by April 30. Please refer to the Apply for Financial Assistance Instructions on our website for specific procedures.

If you are requesting Financial Assistance from your church there may be an additional application form you will need to fill out with your church. Check your church Office to see if this is applicable for your church.

It is the responsibility of each family to make all necessary arrangements for tuition assistance through the Business Office prior to registration.

Exam Permits
All students Grades 7-12 must receive financial clearance one week before semester exams to receive an exam permit. Students with unpaid accounts, including athletic fees, class dues, library fines, music uniforms, project fees or other fees/fines, will not be permitted to take semester exams or receive a report card or transcripts.

A student unable to take his/her semester exams due to not having financial clearance will observe the following procedures:
- The student is not to be in attendance on semester exam days and will receive excused absences.
- Teachers will give the student a zero (0) as an exam grade.
- Semester exams will be held by the teacher for a period up to nine weeks.
- Student accounts must be brought to a current status in order for the student to receive an exam permit to take the exam within the nine week period.
- The grade will be adjusted if the student is able to take the exam within the nine week period.

Grades
Fourth-quarter/semester or exit grades will not be released until the account with the school is paid.

Final Transcripts
A diploma, final grades or transcript will not be issued to graduating seniors until the account with the school is paid in full.

Delinquent Accounts
SVA is committed to providing Christian education for all the young people in the Seventh-day Adventist churches served by the school. However, in the event that an account is not paid by the 10th, the family should contact the Business Office to work out an acceptable financial plan. Families with special financial plans must meet the obligations of these plans if their student(s) are to remain in school.

If an account is not paid in full at the end of the month, the family will be notified that their past-due account will necessitate a temporary withdrawal from school. If payment is not made by 30 days past due or the 10th of the following month the family will be asked to temporarily withdraw their child (ren) until the account becomes current.

Accounts that are not paid or in which monthly payments are not received will be turned over to an agency for collection.
