

Merry Christmas

FROM SPRING VALLEY ACADEMY

During this season, celebrating the ultimate gift God gave of His son Jesus, we are reflecting on our many blessings.

Our enrollment of 485 is the largest in the school's history. While this is an exciting milestone to reach, the most important part of this large number is more students are now learning about Jesus.

Grade 3/4 teacher and SVA alumnus Emily Cowell (1995) recently asked her students why they are grateful they attend SVA. Here are some of their responses:

"Spring Valley is a great place because it gives kids a chance to learn about God." -Alice

"At SVA you can always find friends no matter what." -Ashli

"I like SVA because we can learn about God, and the teachers are nice and you can make friends easily." -Zachary

"I like SVA because we learn about Christ and the Bible and because we have really good food." -Beckham

This Christmas we are thankful for our students, teachers, and extended SVA family – including you! As we grow, your support and prayer are more important than ever. During this season of giving, please consider a gift to our Worthy Student Fund to help more students like these attend SVA.

As Norah recently told Ms. Cowell, "Some people don't get to learn about Jesus unless they come here." That opportunity is more easily accomplished with your help. As Calla reminded us, "by donating just a little, you're really doing a lot!"

We wish you the happiest of holidays and thank you for your prayers and support as we continue to grow and teach students to Know, Follow and Share Jesus.

Thank you!
