

SPRING VALLEY ACADEMY

Today, our Home & School Team would like to honor our many veterans in our SVA community.

More than a century ago, President Wilson designated Nov. 11 as Veterans Day, a day to celebrate the heroism of those who helped achieve victory in World War I. In his words, that victory gave America “the opportunity ... to show her sympathy with peace and justice in the councils of the nations.” Though more than a hundred years have gone by, the spirit of Veterans Day remains honoring the pursuit of peace and justice by the men and women who serve our country in uniform.

Today and every day, we’re grateful to the thousands of courageous veterans we’re privileged to call our family, friends, and colleagues.

To all our veterans, we **THANK YOU** for your service and sacrifice.

*A little extra information concerning Don Sweigart.

During WWII, Don and his FIVE brothers served at the same time. One was shot down over Germany and spent 13 months in a POW camp. Another one was captured during the Battle of the Bulge and was also a POW. Next time you see Mr. Sweigart subbing at SVA, ask him to tell you a story. He has some incredible ones of his father and uncles during their time serving our country.
