Camp Standard:

Spring Valley Academy is a Christian school operated by the Seventh-day Adventist Church, although students of all religious faiths are welcomed as part of the school family and contribute much to the school.

Seventh-day Adventist believe in a personal God who governs an orderly universe in love and desires a relationship of trust with His creatures. God created man in His likeness with infinite possibilities for development. With this in mind, SVA is offering a basketball league that not only develops an athlete from the physical perspective, but al so from the spiritual aspect.

We will incorporate playing with a Christian attitude, daily devotions, and taking a look at where athletics falls in the grand scheme of life.

Camp Philosophy:

The emphasis on teaching fundamentals while creating a fun atmosphere makes these camps one of a kind.

Our goal is very simple; we want to provide your child with strong fundamentals of the game while also providing motivation as well as fun drills to be practice independently.

Please take note that SVA Sport Camps are not competition camps in which the best skilled players are given many awards. These are **Teaching Camps** where we will provide quality instruction and assistance to all campers.

All Day Camps:

If your child will attend both camps, he/she must bring their own lunch. A designated place to eat will be provided. However, parents are welcome to pick up their child for lunch and drop off for the afternoon camp.

What to bring:

- Soccer, Basketball or Volleyball attire
- Water bottle
- Positive attitude
- Campers are encouraged to bring their own basketballs for use during individual ball handling drills
